# Staying relevant - How Do I Get There?

**Information to Gather**

**Points to Consider**

**Actions to Take**

# Staying relevant - How do I Get There?

## Get your child to be responsible for their own plan

Which courses / qualifications do you think will lead you to this job?

Are there any prerequisites / minimum entry requirements to apply to these courses?

What steps can you take to work towards your goal?

How can you better prepare yourself for this course / job?

What are the possible ways/admissions to get to your course?

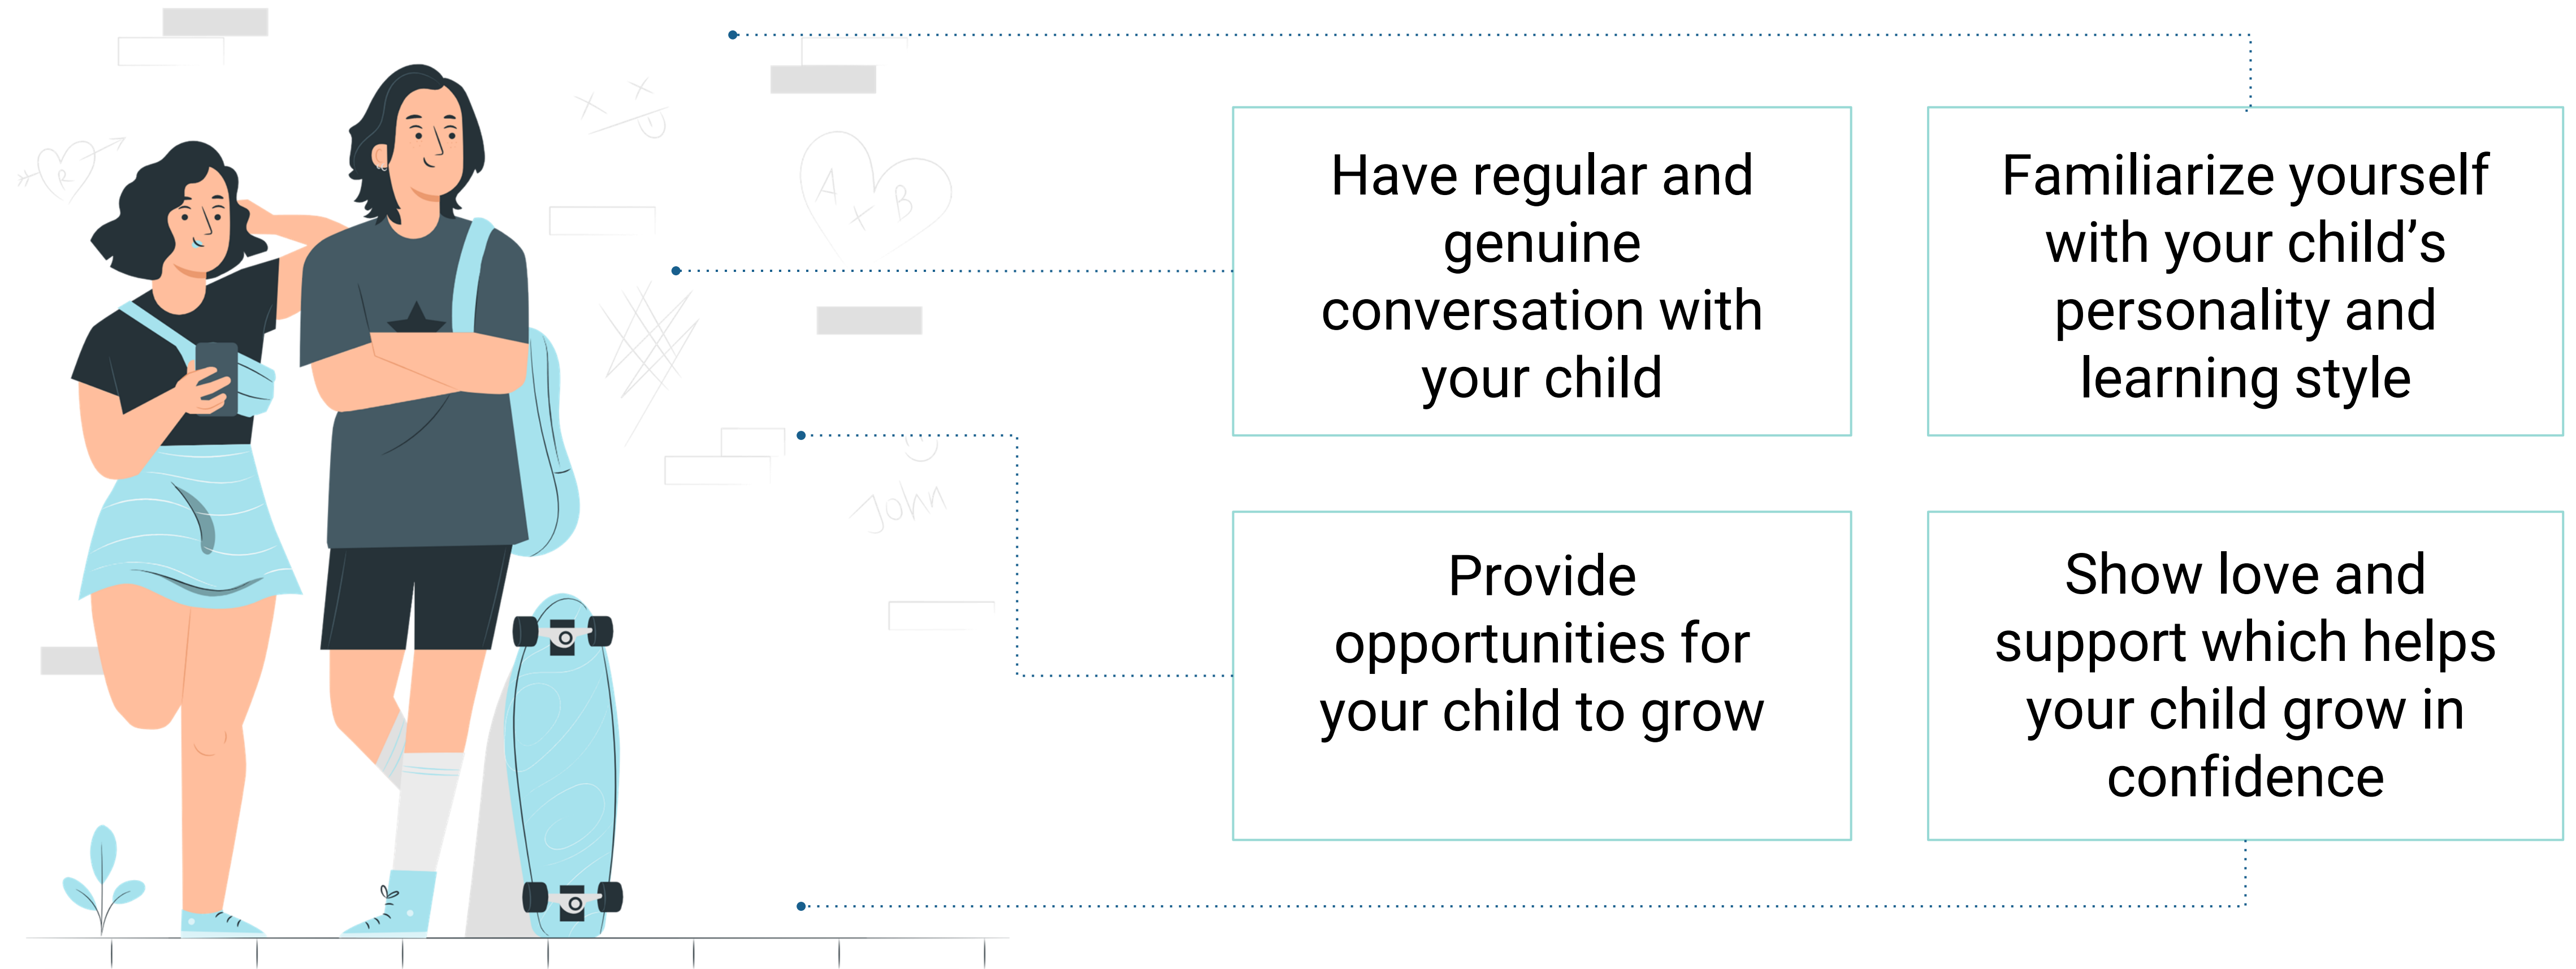

## Discuss with your child like they are adults

What 'game plan'/plan do you have in mind to work towards this course/career?

Are there ways you can experience what the job is like?

Are there practical constraints you may face?  
Eg. colour appreciation deficiency?

# Supporting our Child's Aspirations

“

**As parents, we all want what is best for our children...**

**Within our own families,  
we can all spend a bit more time listening to our children's thoughts and  
feelings.**

**Let us walk alongside them as they grow and  
handle their new challenges.**

”
